

Welcome to the third edition of our weekly newsletter for students accessing our on site provision for Critical Worker, Vulnerable & SEND students.

New things have been happening on the academy site this week. We have been able to link students on site with their peers, for the first official Term 3 - Year 7 Student Council meeting and some students have been selected to take part in HWA trial of 'Live Lessons'.

#WeAreHanhamWoods

It's only two weeks until Children's Mental Health week and we would encourage you to check out page 2 for useful links to free webinars and support for you and your child.

Important Notices:

- Students will continue to wear normal Academy PE Kit, not non-uniform until further notice.
- Hoodies should not be worn to the Academy as they cannot be worn for PE.
- Students should bring their own corded headphones to school everyday where possible.
- The canteen is closed during break time and will only be serving baguettes during lunchtime.

We have a member of our Welfare Team on site at all times, but you can still access support when you aren't in school!

Both students and parents are able to call the Safeguarding Line directly on:
07599915486
 Between 8:30am and 4:30pm Mon-Fri.

If you would like your child to see the School Nurse, we are able to organise student drop ins on site or over the phone. Please email Heads of House for further details!

WoW cards are still being given out in school – but are also being posted by subject teachers for work completed online!

To extend your learning further when you aren't in school, follow these useful links to the CLF blog and online learning platform Seneca.
