Pupil Premium Policy

February 2024

For information and guidance and incorporating the Academy's vision and core values. It forms part of the portfolio of policies designed to keep students safe, happy and cared for.

Status: Approved

Hanham Woods Academy Pupil Premium Policy

Policy Title	Pupil Premium Policy
Function	For information and guidance and incorporating the Academy's vision and core values. It forms part of the portfolio of policies designed to keep students safe, happy and cared for.
Status	Approved
Audience	students, Parents, Councillors, Principal, Teachers, Support Staff, Local Authority
Ownership / Implementation	The Principal and the Academy Council have overall responsibility for ensuring that this policy is implemented.
Implementation Date	7 th February 2022
Review period	Annually
Last Reviewed	February 2024

Rationale and Aim

The aim of the Government's Pupil Premium policy is to raise achievement among disadvantaged children and to support children and young people with parent/carers in the armed forces. It provides additional funding for disadvantaged students to ensure they benefit from the same educational opportunities as students from wealthier families. Hanham Woods Academy (Hanham Woods Academy) are committed to ensuring that this funding is used appropriately and effectively to ensure our Pupil Premium students achieve the same standards as non PPs nationally.

Policy

Pupil premium provides additional funding for these groups of students:

Disadvantaged Students

1. Those registered for free school meals (FSM) plus those who have claimed FSM at any point in the last six years (known as 'Ever 6 FSM').
2. Children Looked After (CLA).
3. Post-LAC. Children adopted from care under the Adoption and Children Act 2002 and children who have left care under a Special Guardianship or Residence Order.

Service Children

Those recorded as Service Child in Education (SCE) or Ever 4 Service Child (who have been a SCE within the last 4 years) or in receipt of a child pension from the Ministry of Defence.

For further details of each category and the amount payable in any year, refer to the "Pupil Premium 2016 to 2017; Conditions of Grant" (or that published for subsequent years) published by the Department for Education.

Parents/Carers can claim FSM for their children, via their local council, if they receive benefits that include:

- Income Support.
- Income-based Jobseekers Allowance.
- Income-related Employment and Support Allowance.
- Support under Part VI of the Immigration and Asylum Act 1999.
- the guaranteed element of State Pension Credit.
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than →£16,190).
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit.
- Universal Credit.

Children who get any of the above benefits in their own right (i.e. they get benefits payments directly, instead of through a parent or guardian) can also get free school meals.

The Academy aim to use the additional funding to:

- All Pupil Premium non-Special Educational Needs (SEN) students achieve the same as non PPPs nationally.
- " Provide support to improve the progress and raise the achievement for these students. Narrow and close the gap between the achievement of these students and their peers.
- Increase social mobility.
- Make a significant impact on students' education and lives.
- Address any underlying inequalities between children eligible for Pupil premium and others.

The Academy has a designated person responsible for Pupil premium and its allocation. Hanham Woods Academy will ensure the effectiveness by:

- Clearly identifying Pupil premium within the budget.
- The designated responsible person or Principal in consultation with local governors and staff, will decide how the Pupil premium is spent for the benefit of the entitled students. Funding will be allocated following a needs analysis which will identify priority groups or individuals.
- In making provision for socially disadvantaged students, Hanham Woods Academy recognise that not all students who receive free school meals will be socially disadvantaged or underachieving. Hanham Woods Academy also recognise that not all students who are socially disadvantaged are registered or qualify for free school meals. Hanham Woods Academy therefore reserve the right to allocate the Pupil premium funding to support any groups of students that have been legitimately identified as being socially disadvantaged.
- Assessing what additional provision should be made for the individual students.

Examples of strategies Hanham Woods Academy may use include:

- Staffing costs specifically to support learning and progress e.g. Teaching Assistant (TA) Higher Level Teaching Assistant (HLTA), 1:1 English or maths tuition, counselling services.
- Support with one off costs such as uniform, equipment, necessary educational visits and other educational visits.
- The Education Endowment Foundation, working with the Sutton Trust produce a Teaching and Learning Toolkit that is a very useful source of evidence-based information on effective intervention.

Monitoring and Evaluation

Hanham Woods Academy is free to decide how to spend the Pupil premium but are accountable for the impact this has on the targeted group through:

- Data which show the performance of disadvantaged students compared with their peers.
- The Ofsted inspection framework under which inspectors focus on the attainment of student groups, in particular those who attract the Pupil premium.

- The reports for parent/carers that schools now have to publish online from Sept 2012 that is required to identify;
- the amount of the Academy's allocation from the PP grant in respect of the current academic year;
- details of how it is intended that the allocation will be spent; details of how the previous academic year's allocation was spent, and the effect of this expenditure on the educational attainment of those students at the Academy in respect of whom grant funding was allocated. (The School Information (England) (Amendment) Regulations 2012).

As allocations are not known until the latter part of the academic year, Academies should report on the funding up to the end of the financial year and update it when all figures become available.

The designated person responsible for Pupil premium in Hanham Woods Academy will monitor, evaluate and review the impact of the strategies put into place through the funding to ensure that the Academy can show the value that has been added to the education of the entitled children.

The designated responsible person or Principal will report to the local governing body and parent/carers on how effective the intervention has been in achieving its aims, including publishing online information about how the premium has been used. The report to the local governing body should include:

1. The progress made towards closing the gap, by year group, for disadvantaged students.
2. An outline of the provision made during the term since the last report.
3. An evaluation of the cost effectiveness, in terms of the progress made by the students receiving a particular provision, when compared with other forms of support.
