

## 2018-2019 Exam Results

Following significantly improved results last year, this years' Year 11 students have produced another set of encouraging results with around a third of students gaining grade 9-5 in both Maths and English. We have seen further improvements in Maths, Chemistry, Geography and in vocational subjects such as BTEC Health and Social Care and BTEC Sport

Many students overcame challenging academic and personal issues to achieve the results they have and amongst our top performing students are:

Zoe	9, 8, 8, 7, 7, 7, 7, 6
Isabella	9, 9, 9, 9, 8, 7, 7, 6
