

It's the moment you've been waiting for! Tickets are now available for the CLF Takeover at Ashton Gate on the 14 December.

The event will see thousands of staff and students from across the trust attending the iconic Bristol stadium for a unique event.

The Bristol Bears will be bringing the entertainment on the pitch in their clash against French outfit Pau – expect big collisions, exciting running and hopefully a fair few tries.

But off the pitch, the CLF will be at the centre of a host of exciting activities.

We've already confirmed a large number of performers from across the trust who will be entertaining around the stadium and on the pitch including Dancers from JCA and DJs from Digitech.

Artists from across the trust are in the process of creating portraits of players to be used on social media and on the big screens during the team announcements.

The final part we need to play, will be bringing the atmosphere from the stands.

There are 3,000 free tickets available to our trust – and the ambition is to ensure staff and students from every CLF school can attend.

We need your help to spread the word; can we get the message out to learners, their families and CLF colleagues about the opportunity to attend the game?

It would be great to see families attending who might not have been to Ashton Gate before, if we can support them to access tickets that would be a huge help.
