

Dear Parents/ Carers,

We place Personal Development front and centre alongside academic success at Hanham Woods Academy. As a result, we endeavour to provide our students with a variety of well-coordinated student leadership opportunities and extra curricular activities as a central strand of both Personal Development and Student Achievement.

Please find a variety of opportunities listed below for your child to access. For further details please check out the Hanham Woods Academy Extra Curricular Page and view our Student Leadership Opportunities Prospectus.
