

# Heatwave Homework – Food Technology

**24<sup>th</sup> and 25<sup>th</sup> June**

**Task:** As school is closed due to the hot weather, please complete the following tasks over the next 2 days:

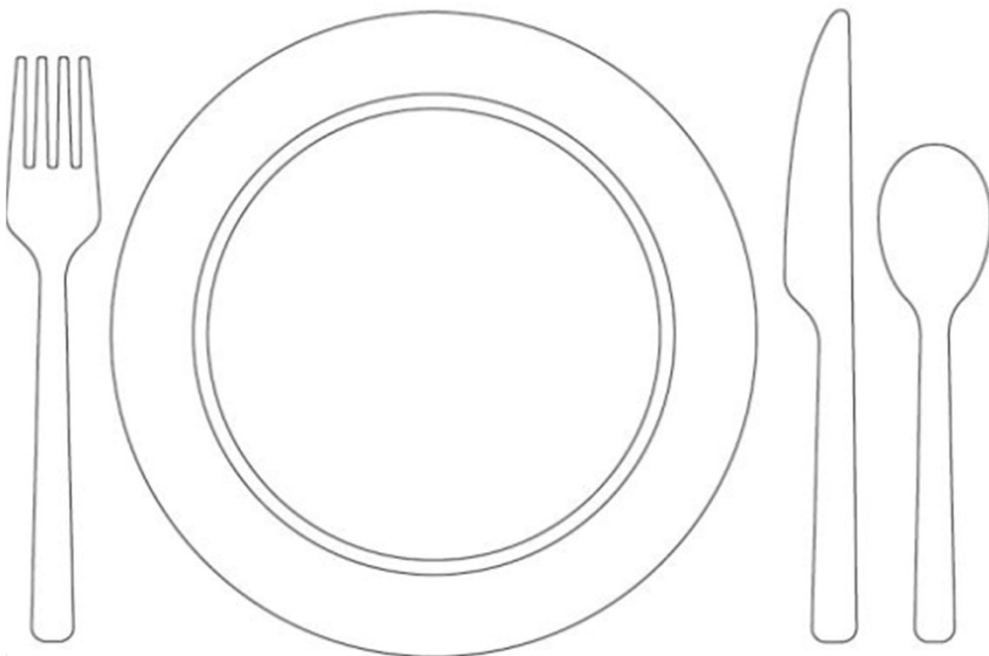

## **Task 1:** Food Technology

Design a healthy meal that would be suitable to eat during hot weather.

### **Include:**

- The name of your dish
- A list of ingredients
- A labelled drawing or photo (if possible)
- 3 reasons why it is suitable for a hot day (for example, provides hydration)

Healthy Meal Design:

**Ingredients:**

- 
- 
-

- 
-

# Heatwave Homework – Design and Technology

**24<sup>th</sup> and 25<sup>th</sup> June**

**Task:** As school is closed due to the hot weather, please complete the following tasks over the next 2 days:

**Task 2: Product Design**

**Product Spotting:**

Choose one product you have used today (for example, a water bottle, fan, headphones, sunglasses).

**Create a short product analysis including:**

- Name of the product
- A labelled sketch or photograph
- The materials it is made from
- Why these materials have been chosen
- One thing you like about the product
- One improvement you would make

Product Analysis

Name of Product:

Sketch of product:

Materials:

- 
- 
- 
- 
- 
- 

Why these materials have been chosen:

-

One thing you like:

-

One improvement you would make:

-
