Dear Parents/Carers

On 5<sup>th</sup> February 2020 Year 9 students have the opportunity to participate in a careers event called 'Raising Aspirations' hosted at The University of the West of England, Filton Rd, Stoke Gifford, Bristol BS34 8QZ.

We will leave the Academy at 08.40 to travel to the above address and will return at approximately 14.30. This careers event gives students the opportunity to meet a range of employers, gain employability skills and explore their Post 16 options. This is a fantastic opportunity to gain valuable career insights and start to explore options after GCSEs.

Please note that there is nowhere onsite for students to purchase food at the venue, therefore, students will need to buy food in advance or bring a packed lunch to the event. Students who normally receive free school meals will have lunch provided.

Please complete and return the permission slip below to confirm your attendance to the visit.

We will use the essential emergency contact information we have on record; if any of these details have changed please notify the Academy as soon as possible on **0117 440 8900**.

Yours sincerely

**Mr A Williams**
