
Dear Parent/Carer,

Yondr Mobile Phone Pouches – Parent/Carer Permission and Purchase Information

Thank you to all the responses on our mobile phone permission form. From this we have been able to secure an order of Yondr pouches to be delivered to the Academy in the coming weeks.

As part of our mobile phone policy, students may have their phone on site if it is secured within a Yondr pouch.

If you would like your child to be permitted to bring their phone to school in a Yondr pouch, please:

1. Complete the permission form: [Request for permission of Electronic device use. – Fill in form](#)
2. Log in to SCOPay and purchase a Yondr pouch for **£15.00**.

If you have already completed the permission form and made payment on SCOPay, we thank you for your prompt response and please be assured that your child will already be on our existing list.

The deadline for completing the form and making payment is **Sunday 4th October** to ensure your child receives a pouch in our first delivery.

Pouches will be distributed from Monday **12th October**. We will be leading a comprehensive system on entry to the school which will ensure no access.

Please note that if payment is made after **4th October**, we may not have sufficient stock available in the first distribution wave. However, we will continue to offer Yondr pouches through SCOPay, both for students who wish to purchase one at a later date and for replacement pouches if required.

All queries can be sent to reception@hwa.clf.uk

Thank you for your support.

Yours sincerely,
