02 March 2023

Dear Parents/Carers

Year 7 Transition

I am delighted to learn that your child has been allocated a Year 7 place with us at Hanham Woods Academy for September 2023. Our mission here is simple: we exist to give people the best chance of success. This is underpinned by our values of Dream BIG, Work Hard, Be Kind. We hold the highest expectations and aspirations for our students and their families, and we look forward to welcoming you and your child to our Academy community. We place great importance on the progression of students between their primary and secondary phase and we are committed to doing all we can to ensure a smooth experience for all.

In the coming weeks the Transition Team, led by Krisha Hendra (Vice Principal), will be liaising with all our primary feeder schools to begin the process of handing over key information and to begin our Progression Programme.

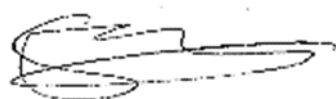

Our Progression Programme includes a variety of experiences and activities for both you and your child(ren), to ensure a positive journey into the Academy. We will take note of the most recent Government guidance to design a bespoke programme for this year's cohort to ensure their transition from primary into secondary school is as smooth and supportive as possible.

If your child has any additional learning or health needs these will also be communicated to us by the Local Authority and by their primary school; we will then use this information to further adapt or amend our Progression Programme as necessary, so we can offer a bespoke transition where it is required.

We will be updating the Academy website with further information over the coming weeks, so please do keep an eye on the Transition Section for up to date information.

We are looking forward to welcoming your child(ren) to the Academy in September 2023.

Yours sincerely

Mr S O'Callaghan
Academy Principal

Vice Principal/Transition Lead
