

Y8 Blended Learning Planner 2021

Please find below an overview of classes where there is an element of 'real time' or live input at some point within the weekly schedule. All lessons (pre-recorded or live) will continue to be posted on SMHW. Live lessons will be indicated on SMHW as a 'classwork' task. Any links required to access Microsoft Teams will be provided via the task. Live lessons are subject to staff availability. If there is a change to this schedule e.g. due to staff absence, we will endeavour to cover this in the first instance. If this is not possible, the lesson will be amended to a pre-recorded session to limit any disruption. Please check the SMHW notice board regularly as any changes to this timetable will be published here. To access Microsoft teams links, the Office 365 login is required.
